

An Easter World Heritage Adventure with

30th March - 13th April 2024

Did you know that Tavistock is a World Heritage Site - just like the Taj Mahal and Machu Picchu?

We think that's pretty cool for a little market town in Devon!

Come on an adventure as we visit other places with World Heritage Status and find out how they celebrate Easter.

Look out for sweet rewards along the way...

Tavistock is part of the Cornish & West Devon Mining Landscape World Heritage Site. Visit The Guildhall to find out more!
